

3rd European Biobed Workshop Piacenza 2010

Jens Husby

An aerial photograph of a farm complex. The farm consists of several buildings, including a large white barn-like structure, several smaller houses or farmhouses, and a central area with trees and a small pond. The farm is surrounded by large, green agricultural fields. A white arrow with a black outline points from the right side of the image towards the farm complex. The text "Göran Olssons farm" is written in black inside the arrow's shaft.
